

Water bottle carrier

- Each team is permitted to have two (2) Water Carriers.
- All Water Carriers are to be positioned inside the boundary fence at the point where the 40/50 metre arc line intersects with the boundary line on the opposite side of the ground to the coaches boxes.
- Water Carriers are only permitted to enter the playing arena during a substantial break in play (e.g. when a goal is kicked, or where there is a significant stoppage for injury).
- Water Carriers must wear approved League apparel and must not coach, barrack or engage in any interaction with players.
- The Field Umpire(s) may pay a free kick against the offending team where a Water Carrier is on the arena during general play.
